SAM BANKMAN-FRIED. . FOUNDER OF WHAT WAS ONCE CONSIDERED THE LARGEST CRYPTO EXCHANGE IN THE WORLD. . HAS BEEN FOUND GUILTY ON ALL 7 CHARGES OF FRAUD. . CONSPIRACY, AND MONEY LAUNDERING.

****VO****

ON THURSDAY MORNING, THE MANHATTAN JURY TOOK ONLY 4 HOURS TO CONVICT THE FORMER CEO OF FTX FOR STEALING CLOSE TO 10 BILLION DOLLARS OF CUSTOMER ASSETS, AND USING IT TO EASE HIS RISKY INVESTMENTS, PURCHASE REAL ESTATE, FUND POLITICAL CAMPAIGNS, AND RECEIVE CELEBRITY ENDORSEMENTS FOR THE COMPANY. FTX'S DECLINE STARTED IN NOVEMBER OF LAST YEAR, WHEN A LEAKED DOCUMENT REVEALED THAT 8 BILLION DOLLARS OF CUSTOMER FUNDS WAS NOWHERE TO BE FOUND. THAT SAME WEEK, THE PRICE OF FTX TOKENS PLUMMETED, FORCING THE 40 BILLION DOLLAR COMPANY TO FILE FOR BANKRUPTCY 9 DAYS LATER. BANKMAN-FRIED COULD BE FACING A POTENTIAL 115 YEARS IN PRISON, WITH HIS SENTENCING SCHEDULED FOR MARCH 28TH OF NEXT YEAR.

THE FATHER OF 21 YEAR OLD ROBERT CRIMO III, WHO WAS ACCUSED OF KILLING SEVERAL PEOPLE DURING A PARADE IN HIGHLAND PARK, ILLINOIS LAST YEAR, PLEADED GUILTY ON MONDAY TO SEVEN FELONY CHARGES OF RECKLESS CONDUCT.

****VO****

PROSECUTORS SAY THAT 58 YEAR OLD ROBERT CRIMO JR. WAS RESPONSIBLE FOR SIGNING HIS SON'S FIREARM APPLICATION FOR AN OWNERSHIP IDENTIFICATION CARD. AT 19, CRIMO III, PURCHASED A SEMI-AUTOMATIC RIFLE AND FIRED OVER 80 ROUNDS FROM A ROOFTOP AND INTO THE PARADE, KILLING SEVEN PEOPLE AND INJURING 48. HE WAS CHARGED WITH 117 COUNTS OF FIRST-DEGREE MURDER, ATTEMPTED MURDER, AND AGGRAVATED BATTERY. AFTER AGREEING TO A PLEA DEAL THIS WEEK, THE FATHER IS NOW BEING SENTENCED TO 60 DAYS IN JAIL, TWO YEARS OF PROBATION, AND MUST COMPLETE 100 HOURS OF COMMUNITY SERVICE. ADDITIONALLY, HE IS REQUIRED TO GIVE UP HIS OWN FIREARM OWNERSHIP CARD AND ANY WEAPONS THAT HE STILL OWNS.

MOTOR VEHICLE GIANT TOYOTA HAS DECLARED ANOTHER RECALL, THIS TIME FOR OVER 1.8 MILLION RAV4 MODELS MANUFACTURED FROM 2013 TO 2018.

****VO****

THE RECALL IS DUE TO CONCERNS THAT THE REPLACEMENT 12-VOLT BATTERIES WERE NOT PROPERLY SECURED. THE COMPANY SAYS THAT THE DIMENSIONS

BETWEEN THE ORIGINAL BATTERIES AND THE REPLACEMENTS VARY IN SIZE, AND IF THE HOLD-DOWN CLAMP ISN'T TIGHTENED CORRECTLY, THE CAR HAS A CHANCE OF CATCHING FIRE WHILE MAKING SHARP TURNS. THIS COMES ON THE HEELS OF ANOTHER RECENT TOYOTA RECALL WHEN 750,000 HIGHLANDER MODELS WERE RECALLED DUE TO THE FRONT BUMPER EASILY DETACHING FROM THE CAR AFTER MINOR COLLISIONS. TOYOTA DEALERSHIPS PLAN TO REPLACE THE FAULTY PARTS FOR THE VEHICLE WITH UPDATED ONES, FREE OF CHARGE, STARTING IN LATE DECEMBER.

THAT'S ALL THE TIME WE HAVE FOR THIS WEEK'S NATIONAL NEWS UPDATE. I'M MATTOX WARD, BACK TO BEN AND JAMES AT THE DESK.
